MEMORANDUM FOR: EASTERN EUROPE, CHIEF POLITICAL AND PSYCHOLOGICAL WARFARE

SUBJECT : FE Division Action Report on Psychological Exploitation of East European and Satellite Unrest and Implementation of D-45, for the 1-8 September period.

The only report from the field this week dealing with the implementation of D-45 is contained in a dispatch from [redacted] dated 10 August. This dispatch enclosed a copy of a subsidized Chinese language weekly publication that contained an article titled "To Counter-Attack Jingolism; To Oppose Appeasement", which dealt with the riots in East Germany.
